A Shared Responsibility for Preparing Youth for Careers

Virtual Career Spotlight with Gareth Unsworth

My Career Journey as a Power Engineer

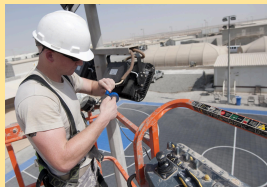

Date: Tuesday, March 4, 2025

Time: 2:00 PM

Theme: Skilled Trades; Business Management; Education

[Zoom Link - Join HERE.](#)

Have you ever wondered what your career journey might look like as a Power Engineer? How about a career in Business Management? What are all the industries you might work in? Join us in listening to Gareth Unsworth, Program Coordinator for the Trades Program and Instructor for both Power Engineering and the Business Program at Great Plains College. Gareth will share more about his own career journey over the years and the lessons he has learned along the way that have played a crucial part in shaping this journey. Learn more about his varied and diverse educational background, in addition to his varied work experience from power engineer, to manager in the healthcare industry, to his current role as program coordinator and instructor in post secondary.
